

# Upcoming Event!

## Human Library: Meet Our Books

Date: **Friday, 28th Oct 2022**

Time: 12-1.15pm

Location: HIVE TR+1

Curated with real-life inspiration, UWO in collaboration with Resilience Collective brings you a unique human library experience.

Come and engage with the brave souls who have overcome their mental challenges.

Joan's journey revolves around finding kinship outside of her family. Having that safety net has emboldened her in her growth because she know that if she fails, these people will love me unconditionally.

Danial will talk about how he faced adversities in his childhood, such as bullying, rejection and discrimination from those around him.

# Upcoming Event!

## Human Library: Meet Our Books

Date: **Monday, 31st Oct 2022**

Time: 12-1.15pm

Location: Global Lounge

Curated with real-life inspiration, UWO in collaboration with Resilience Collective brings you a unique human library experience.

Come and engage with the brave souls who have overcome their mental challenges.

Bernadette is a lawyer in training who has lived most of her life with depression and ADHD. She hopes to be an advocate even outside the Courts for those with mental health conditions, and to show that everyone can thrive with the right support and resources.

Join Xiu Wen as she shares the merits of acceptance despite bouts of recurrent depression – without necessarily giving up!
